Business rates - freedom of ...

Business rates - freedom of information

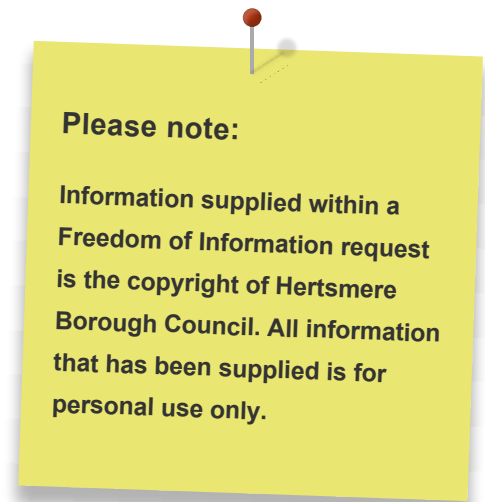

Last Modified June 29, 2020

[Share this page](#)

We receive a number of Freedom of Information (FOI) requests of a similar nature for information which relates to business rate accounts (non-domestic properties). To address these requests the council will publish a spreadsheet containing data for the most commonly requested information on:

- Empty properties
- Mandatory and discretionary relief
- Full list of non-domestic properties within Hertsmere with the rateable value
- Businesses that have been awarded relief or are exempt from void rates
- New accounts

The spreadsheet will be published twice a year, in April and September. We will not provide individual responses to requests during the year for similar information, but will re-direct requests to our published set of reports held on this web page. Any requests for similar information will be politely declined.

[Download the Business Rates Freedom of Information spreadsheet](#) (MS Excel 618kb)

(Please note: the information is write-protected. To filter and analyse the data you will need to copy and paste into a new spread sheet).
