## Licensing Act 2003

## Business and Planning Act 2020

The Act came into force on 22nd July 2020. The provisions in the Act temporarily modify the Licensing Act 2003 to provide an automatic extension to the terms of most premises licences which only permit the sale of alcohol for consumption on the premises to allow the sale of alcohol for consumption off the premises.

This will make it easier for licensed premises to sell alcohol to customers for consumption off the premises in England and Wales, which will allow businesses to trade and maintain social distancing. Please see the links below for further information about how to make use of the new entitlements and template Section 172F Statements.
