Gambling Premise Licence Register

Last Modified May 14, 2019

[Share this page](#)

All licensed gambling premises in the borough have to be registered with us under the Gambling Act 2005.

What is the difference between licences and permits?

Applicants for premises licences must have been granted an operating licence and their staff may need to apply for one or more personal licences. Applicants for permits do not need to apply for any other authorisation, however permits are more restrictive in terms of what they allow.

See our register of permits and licences:
