We have around 1,800 lock up garages available to rent throughout the borough, the majority of which are in Borehamwood and Bushey.

## GARAGE LETTINGS ARE CURRENTLY SUSPENDED

Unfortunately, due to the coronavirus pandemic, garage lettings have been suspended at this time.

Thank you for your interest.

## Do we have any garages available to rent?

Usually around 80 per cent of our garages are already let at any one time, and the majority of tenants keep their garages for many years so sometimes garages may not be available in the area you want. However, we do usually have some which are available, so it is worth getting in touch.

If there is not a garage available in the area you want then you can go on our waiting list.
