All types of developments are subject to the formal Street Naming and Numbering (SNN) process including the internal numbering of a sub-divided building. This applies to all residential, commercial and industrial properties.

Street Naming and Numbering guidance for each of these developments is laid out below. Please take the time to read this information along with our [Street Naming and Numbering Policy](#) (PDF 323kb) before making an application.

## Displaying your house number

Did you know It is a legal requirement for all properties to display their official house number in a clear prominent position which is clearly visible from the street.

More information about house numbers can be found in our
