What is Street Naming and Numbering?

Last Modified June 15, 2020

[Share this page](#)

Street Naming and Numbering (SNN) is, by definition, the act of naming of streets and numbering properties.

This may sound like a simple task but it can actually be quite complex - from legislation to policy to BS 7666 standards. Hopefully this page will give you some more insight into the process and why we name and number the way we do.

If you have any questions about the information on this page, or want to get in touch, please do so via the details on our page [Meet the team](#)

Why is Street Naming and Numbering important?

Who is responsible for allocating addresses?

Legislation, Policy and BS 7666 standards

What will happen if I do not follow the formal Street Naming and Numbering process?

What's my address?

Having problems with the postman, can't get services installed. You may be using the wrong address. Check your official address and postcode on the 'Find my official address' page
