### Prepare your business for the UK leaving the EU

Leaving the EU means your business may need to prepare for change. What does Brexit mean for your business? Are you prepared?

The government is planning every possible outcome including a no deal.

Hertfordshire Growth Hub has pulled together useful links and resources to help you understand how leaving the EU may affect your business and what measures you can put in place to prepare. To find out more visit the [Hertfordshire Growth Hub website](#).

### Creative Hertfordshire

[Creative Hertfordshire](#) is an online network for creative businesses, individuals and organisations across Hertfordshire.

It is a free online resource that allows anyone within the creative business and arts community in Hertfordshire to showcase work, share latest news, events and projects, and network with others.

It provides a one-stop-shop for businesses and consumers to find out about who is working creatively in the county, what is happening and where to go. It is designed to encourage interactivity and networking and to help businesses and customers find one another and work together.

### Wenta

Wenta is the largest enterprise agency in Hertfordshire and Bedfordshire offering a diverse range of business support services to both start-ups and existing businesses. These services include business advice, mentoring, business incubation centres, training courses, education programmes and business centre premises.

Wenta's experienced advisors offer a wide range of comprehensive training and advice to ensure that you have all you need to succeed and grow in your chosen field. So, if you have an idea that you would like to develop into a business, dream of working for yourself or if you're already up and running and looking to grow, Wenta can help!

Wenta are helping over 100 people every month in turning their dream of starting a business into a reality through their business advice and support. If you have been trading for less than 12 months or if you are

thinking about starting a business, contact Wenta to find out how to access our free support package. For those companies that have been established for more than a year, Wenta offer highly subsidised support and advice packages. Wenta's business centres offer a wide range of options from mailbox and virtual office facilities to self-contained offices and workshops at flexible prices.

To find out how Wenta can help you, please contact your local Wenta office on 01707 663610, email [marketing@wenta.co.uk](mailto:marketing@wenta.co.uk) or visit their [website](#).

## My Incubator

My Incubator Potters Bar is a fully equipped, modern business incubation centre offering advice, workspace, training opportunities and access to finance to those who are starting up their own business but are not quite ready for their own office.

At My Incubator Potters Bar you have access to your own full-time business advisor who will help build your businesses to the next level. It offers a unique environment of facilities for entrepreneurs including access to a hot desk, PC with broadband, on-site business advice, networking opportunities, in-house seminars and training opportunities.

My Incubator clients also have access to a whole network of other incubators spread across Hertfordshire and Bedfordshire in Luton, Potters Bar, Stevenage, Ware and Watford. All of this is free for the first three months!

If you would like to find out more about My Incubator please call 01707 800240, email [info@myincubator.co.uk](mailto:info@myincubator.co.uk) or visit their [website](#).

## Mi Ventures

Get free instant business advice online via live chat.

As a Hertsmere resident or business did you know that you're now able to access FREE instant online business advice via live chat following our recent partnership with business support website, Mi Ventures?

Whether you're thinking of starting a business or are an existing business looking for a helping hand, this new service allows you to speak to a professional business advisor instantly via a live chat service, saving you the time and money of having to travel anywhere.

As well as being able to chat to business advisors, you can also access the Mi Ventures business information library, which is full of useful, downloadable factsheets, documents and templates.

Find out the latest news on what's going on in the small business world and what events are happening around Hertsmere and the rest of the UK. You can also network with other entrepreneurs at your leisure too.
