We recognise the impact the Coronavirus pandemic has had on the local community and particularly on the local voluntary and community sector. To reflect these additional challenges, for 2021/22 the grants programme is being delivered in three separate funding streams.

**Please note applications for the 2021/22 programme have now closed. Keep an eye on this page for updates.**

## What can I apply for?

**Funding Stream 1. Applications up to £3,000:** Funding for projects or services that support the local community by focusing on issues exacerbated by the pandemic such as Food Poverty, Mental Health, Domestic Abuse, Physical Activity and Social Isolation, Substance Abuse and Homelessness.

*The panel will consider applications for funding which can include: staff costs, capital equipment, venue hire, volunteer costs and also include a reasonable contribution to overheads.*

**Funding Stream 2. Applications up to £3,000:** Funding to support organisations to re-open safely or change how they deliver services due to the pandemic

*The panel will consider applications for funding which can include: additional staff costs, capital equipment (including PPE), venue hire and volunteer costs.*

**Funding Stream 3. Applications up to £7,500:** Funding to support organisations who were directly involved in service delivery to Hertsmere residents throughout the pandemic but are now facing financial difficulties.

The panel will consider applications that include a contribution to running costs such as rent, rates, insurance, PPE and other COVID-19 compliant infrastructure. Specific amounts and costings
