Links to external organisations

Due to the large number of requests we now receive, we cannot agree to add new links from our web pages to voluntary or commercial organisations.

However, in rare cases, where there has been a specific recommendation from the webmaster of the Hertsmere Borough Council service concerned, we may be able to make an exception. If you want us to consider adding a link to your site, please use the "contact us" button at the top of the page where you think your link would be most appropriate and put in the comment box "Request for link". Add the details of your organisation and we will forward it to the appropriate webmaster for consideration.

Linking to an organisation does not represent a recommendation of their goods or services.

For further information about any of the above please contact the Communications Manager.
