

Business and Planning Act 2020: Pavement Licensing Applications Received in 2020 - 2022

The above act introduces a new legal framework for issuing pavement licences, which will enable food and drink businesses to put removable furniture on the pavement adjacent to their premises in order to sell or serve food and drink.

Any representation in relation to a pavement licence application should be submitted in writing no later than the date specified in the column headed 'Last day for Reps. Representations should be addressed by writing or via email:

Once validated, we have a 14 day period (excluding public holidays) beginning the day after an application is validated to determine the application and make a decision. This consists of 7 day period for public consultation in which any members of the public may put forward any comments. During this 7 day period we will also consult with Hertfordshire County Council Highways, the Police, Environmental Health and Planning. A decision will be made a further 7 days after the public consultation period has finished.

Licences must be for a minimum of three months but at the council's discretion can run for any period up to an end date of 30 September 2021. Following the passing of Business and Planning Act 2020 (Pavement Licences) (Coronavirus) (Amendment) Regulations 2021, all granted applications on or after on 14th July 2021 can run for any period up to an end date of 30th September 2022.
