My money doesn't stretch far enough

- I can't top up a pre-payment meter
- Deciding between food/fuel/mobile credit
- Low income or zero hours contract
- Statutory Sick Pay too low to cover costs
- Facing redundancy
- Not sure if eligible for support
- Change of circumstance (e.g. new baby/bereavement/illness/left partner)

I have debt

- Rent or Council Tax arrears
- Gas or electricity
- Credit or store cards
- Personal loans and overdrafts
- Owe friends and family
- Benefit repayments

See option **3**

Step 2: What are some options?

1 Council Support Schemes

People on low incomes may be able to get **Housing Benefit, Discretionary Housing Payments** and **Council Tax Support** from Hertsmere Borough Council.

All schemes will depend on your current circumstances. Find out more at:

www.hertsmere.gov.uk/benefits

2 Maximise Your Income

Anyone who is struggling financially can get a benefit check and speak to an advisor for free and confidential advice.

A **benefit check** can ensure that you are receiving all the money you're entitled to, especially if your circumstances have changed recently. Speaking to an advisor could also help you manage your gas and electricity bills and give free advice and guidance. Energy advisors are also able to suggest ways in which people can make savings around the house, as well as issuing emergency fuel vouchers if needed. Advisors can also **make sure you're not missing out** on things like school clothing grants or free school meals.

3 Debt Advice

Debt can happen to anyone. Free advice and support can help you find ways to manage your debts and reduce how much you pay each month.

4 Benefit Advance

If you have made a new claim for benefit and are in financial hardship while you wait for your first payment, you may be able to get an advance to afford things like rent or food. It's important to get advice before taking out an advance. Benefit advances must be paid back, and the money will be taken from your future benefit payments (a loan).

5 Hardship Payment

If you have been sanctioned, you may be able to request a hardship payment from the Jobcentre. Hardship payments are not always paid immediately, and they're not available to everyone. Hardship payments of Universal Credit need to be paid back (a loan), but hardship payments of Jobseeker's Allowance or Employment Support Allowance do not (not a loan).

6 Challenge a Decision

You can challenge a benefit decision if your benefit has been stopped / sanctioned / reduced / refused or you have been overpaid. Most benefit decisions need to be challenged within one month.
