If you are under the age of 18 and are in care or have been in care, the duty to assist you with your housing issues is with Children's Social Services.

Hertfordshire Children's Social Services can be contacted on 0300 123 4043 (24 hours)

The Council may be able to provide you with advice if you are homeless or about to become homeless if you are unable to resolve your housing issues. We can provide advice and support to help you find alternative accommodation. However, we will not have a duty to provide you with emergency accommodation or house you temporarily unless you are considered to be eligible, homeless and have a priority need.

The Homelessness Reduction Act 2017

Since April 2018, the Homelessness Reduction Act has changed the homelessness duties for all Local Authorities in England.

The new legislation means that all applicants who are eligible and about to become homeless will be entitled to receive advice and assistance in order to prevent them from becoming homeless.

The Act changes the way we address and resolve the issues around homelessness by introducing two new duties in addition to the main housing duty. These two duties are:

1) Duty to Prevent Homelessness

Hertsmere Borough Council will provide advice and assistance to people who are about to become homeless within 56 days. If you are eligible for assistance and at risk of losing your home, we will try to prevent your homelessness by working with you to, either, help you remain in your current accommodation or help you find somewhere to else suitable for you and your household.

2) Duty to Relieve Homelessness

If you are already homeless, and considered eligible, Hertsmere Borough Council will provide advice and assistance to help you find suitable accommodation. If you are considered to be a 'vulnerable person', the Council can offer you emergency accommodation while we work with you to find alternative accommodation that is suitable for you and your household.
