Sir

**TOWN AND COUNTRY PLANNING GENERAL DEVELOPMENT ORDER 1988  
ARTICLE 4 DIRECTION : "THE CLUBHOUSE", 108 LONDON ROAD, SHENLEY,  
HERTFORDSHIRE**

1. I am directed by the Secretary of State for the Environment to refer to your letter of 4 June 1992, enclosing a Direction which restricts development falling within Classes A, E, F and H of Part 1 in Schedule 2 of the above Order and Classes A and C of Part 2 in Schedule 2 of the above Order in respect of land and property at "The Clubhouse", 108 London Road, Shenley, Hertfordshire. The Direction was made by the Council to come into immediate effect, and therefore the provisions of paragraph 4 and 5 of Article 5 apply.

2. The Council's reasons for making the Direction have been carefully considered, together with the written comments of English Heritage and the Hertfordshire Building Trust Ltd enclosed with the Council's letter of 4 June, and an officer of the Department has visited the site.

3. It is the Secretary of State's policy to approve the withdrawal of permitted development rights, granted to land and property owners by Parliament under Article 3 of the General Development Order, only in exceptional circumstances. On the basis of the information before him, the Secretary of State is satisfied that, insofar as the Direction relates to development comprising Class A of Part 1 to Schedule 2 of the General Development Order, there is evidence of threat of works to the building within this Class which would be damaging to the amenity of the building and to the Conservation Area within which it lies unless brought under specific development control. He is, however, mindful of the advice offered by English Heritage in their letter of 11 May to the Council, which whilst accepting the controls proposed to development falling within Class A of Part 1 to the General Development Order expressed doubts over the justification for controls to development falling within Classes E, F and H of Part 1 and Classes A and C of Part 2 of the Order. The Secretary of State takes the view that there is no evidence of specific threat of inappropriate development falling within

Class E of Part 1 and as such he would not be justified in supporting the withdrawal of these permitted development rights. As to development falling within Classes F and H of Part 1 and Classes A and C of Part 2 of the Order, he considers that these issues cannot be addressed in isolation and, if such controls are justified, they should be addressed as part of a wider scheme.

4. The Secretary of State therefore concludes that he would be justified in approving the Direction only insofar as it relates to Class A of Part 1 to Schedule 2 of the General Development Order, such that planning permission be sought for development falling within this specific Class. He considers that he would not be justified in approving the withdrawal of permitted development rights falling within Classes E, F and H of Part 1 and A and C of Part 2 to Schedule 2 of the General Development Order for the reasons given in paragraph 3. He has accordingly deleted these Classes from the Direction.

5. For the reasons given above, the Secretary of State, in exercise of his powers under Article 5(5) of the General Development Order, has decided to approve the Direction, subject to the deletions indicated above and to the modifications shown in red ink thereon, and I return herewith one copy endorsed accordingly.

6. The Council's attention is drawn to the provisions of Article 5(11), 5(12), 5(13) and 5(15) of the General Development Order 1988, which relate to the service of notice of the approval of the Direction.

I am Sir  
Your obedient Servant

*Peter Fiddeman*
