Section 106 planning obligations.....	22
---------------------------------------	----

1. Introduction

- 1.1. Hertsmere Borough Council is the charging authority for its administrative area. Charging authorities are required to produce an Infrastructure Funding Statement (IFS) as a result of regulatory changes to the Community Infrastructure Levy (CIL) Regulations, published in September 2019. Further information on the regulation requirements are highlighted in Appendix A and B.
- 1.2. The report provides information on the monetary (and non-monetary) contributions sought and received from developers for the provision of infrastructure to support development in the borough. The report covers the financial period between 1 April 2022 and 31 March 2023.
- 1.3. Hertsmere Borough Council seeks developer contributions through the Community Infrastructure Levy (CIL) and Section 106 agreements (also known as “planning obligations”).

Community Infrastructure Levy (CIL)

- 1.3 The ability to charge CIL was introduced by Government in 2010 and Hertsmere has been charging CIL since 1 December 2014. CIL is a set charge, based on the gross internal area floor space of buildings, on most new developments. It is intended to help fund the infrastructure needed to address the cumulative impact of development across the borough. The CIL charging schedule, setting out the Council’s CIL charging rates, is available on our website¹. The current charging schedule is due to be reviewed following publication of the new Hertsmere Local Plan.
- 1.4 Local planning authorities must use CIL to fund *“the provision, improvement, replacement, operation or maintenance of infrastructure to support the development of the area”*. CIL is usually secured through financial contributions that the Council then manages, although direct provision of infrastructure in lieu of payment can be considered in some situations.
- 1.5 There is also a ‘neighbourhood portion’ of CIL which is similarly able to fund infrastructure but can also fund *“anything else that is concerned with addressing the demands that development places on an area”*. Under the rules governing neighbourhood CIL, a CIL charging authority must pass 15% of local CIL receipts to the parish council for the area where a CIL liable development takes place, rising to 25% if the parish has a Neighbourhood Plan in place. It is up to town and parish councils, through collaboration with their local community, to decide what these funds are spent on, but it does need to meet the regulatory

¹ CIL Charging Schedule - [Hertsmere Borough Council Adopted CIL Charging Schedule September-2014](#)

requirements. In unparished areas (such as Bushey and Potters Bar), the CIL charging authority is responsible for spending the neighbourhood proportion in the locality, following engagement with local communities.

Section 106 Planning Obligations

- 1.6 Section 106 of the Town and Country Planning Act 1990 enables a local planning authority to enter into a negotiated agreement – a planning obligation - to mitigate the impact of a specific development. Rules set nationally state that any such obligations can only be sought where they are necessary to make the development acceptable in planning terms; directly related to the development and are fairly and reasonable related to the development in scale and kind.
- 1.7 The planning obligation might, for example, require the provision or contribution to a new or improved road, school, health facility or local green infrastructure. Local planning authorities can also seek planning obligations to secure a proportion of affordable housing from residential developments. S106 contributions can either be provided on-site, e.g. through the provision of affordable housing, or off-site in the form of financial payments. In terms of the latter, the Council is responsible for ensuring the money is spent in a way that reflects the terms of the legal agreement.

2. Community Infrastructure Levy Report

Introduction

- 2.1 A CIL charge is payable either within 60 days of the commencement of a development, or within the terms of an instalment policy set by the CIL charging authority²
- 2.2 The CIL Demand Notice sets out the whole sum payable and the instalments required; therefore, CIL Demand Notices issued during a particular year do not necessarily equate to the CIL sums likely to be received during that year. In addition, developments can be altered through further planning permissions over time, often resulting in revised Demand Notices being issued. Any such re-issued Notices are not double-counted in this report; if a Demand Notice is issued and then re-issued in the same reporting year, only the re-issued Notice is included within the figure for CIL invoiced during the year.

CIL Demand Notices Issued

- 2.3 The total value of demand notices issued in 2022/23 is £4,713,787.63.
- 2.4
- 2.5 Of total value the amount from Liability Notices (liable floor space after any relief that has been granted) is £4,380,273.48. The total value from surcharges imposed due to breaches of the Community Infrastructure Levy Regulations is £252,362.03 and the total value of the late payment interest accrued is £81,152.12.

CIL Receipts Collected

- 2.6 The total amount of CIL collected within 2022/23 totals £3,441,089.59.

CIL Receipts Collected prior to 2022/23

- 2.7 The amount of CIL collected prior to 2021/22 totals £20,770,693.05. Of this total the following amount was collected in cash and as land transactions (including payments in kind and infrastructure payments) and the following amounts remain unallocated:

Type	Received	Unallocated
Cash	£20,770,693.05	£15,746,888.77
Land Payment	£0.00	£0.00

²Hertsmere CIL Instalment Policy - [CIL Instalment Plan 1 \(hertsmere.gov.uk\)](https://www.hertsmere.gov.uk/cil)

CIL Allocated

- 2.8 The total amount of CIL collected prior to 2022/23 allocated in 2022/23 in relation to cash received is £4,166,233.86 and in relation to land payments (including payments in kind and infrastructure payments) is £0.00.
- 2.9 The total amount of CIL allocated and not spent during 2022/23 is as follows, this does not include allocations made within the reported year that have been fully spent:

Type	Allocated	Spent	Remaining
Admin CIL	£172,054.48	£172,054.48	£0.00
Neighbourhood CIL	£335,515.94	£0.00	£335,515.94
CIL Land Payments	£0.00	£0.00	£0.00
Strategic CIL	£350,000.00	£150,365.94	£ 199,634.06

- 2.10 Regarding CIL collected and allocated within 2022/23 that has not been spent, summary details of what has been allocated, is remaining to be spent and what it has been allocated towards is as follows:

Infrastructure	Amount Allocated	Amount Unspent	Allocation Dated
CIL Borehamwood Cycle Hire Scheme	£200,000.00	£200,000.00	01 April 2022

CIL Expenditure

- 2.11 The total CIL expenditure recorded in 2022/23 is as follows:

Type	Expenditure
Admin CIL	£172,054.48
Neighbourhood CIL	£181,506.86
CIL Land Payments	£0.00
Strategic CIL	£497,369.63*
Total Value	£850,930.97

(Please note part of the strategic CIL spending money for Meadow Park Phase 2 was allocated from the 2021/22 strategic CIL budget.)

2.12 Summary details of the items of infrastructure on which CIL (including land payments) has been spent in 2022/23, and the amount of CIL spent on each project is set out below:

Infrastructure	Date	Amount	Description
CIL EB1 Borehamwood and Elstree Children Centre	02 August 2022	£365.94	This project will improve the Borehamwood and Elstree Children's Centre. Funding will be used to purchase new LED light projectors in order to...

CIL Spent on Repayment on Money Borrowed

2.13 The amount of CIL spent on repaying money borrowed, including any interest, and details of the items of infrastructure which that money was used to provide (wholly or in part) is as follows:

N/A

CIL Administration

2.14 The CIL administration fund has been spent on the management, staffing, administration, information technology and legal costs involved in:

- the setting up and maintenance of new systems to coordinate the administration of CIL;
- the collection of CIL;
- enforcement of CIL;
- the ongoing management of CIL spending;

2.15 The amount of CIL collected towards administration expenses in 2022/23 is £172,054.48. This was 5% of the total CIL receipts collected (£3,441,089.59) in 2022/23.

2.16 Hertsmere Borough Council has set a collection percentage of 5.00%. The percentage taken may differ due to land payments (including payments in kind

and infrastructure payments) not being allocated to administration expenses, surcharges and late payment interest not being split with Neighbourhood areas.

2.17 The amount of CIL spent on administration expenses during the reported year was 172,054.48. This was 5% of the total CIL collected within 2022/23.

CIL 'neighbourhood proportion'

2.18 The total amount of CIL passed to a Parish or Town Council under Regulation 59A (collected on behalf of the neighbourhood zone in cash), cash collected and allocated towards Parish or Town Council CIL, and 59B (cash provided by the Charging Authority to Parish or Town Council equivalent to what they would have received on a payment in kind), are as follows:

- Payment by 28 October in respect of CIL receipts between 1 April and 30 September.
- Payment by 28 April in respect of CIL receipts between 1 October and 31 March.

2.19 The total amounts of CIL passed to a Parish or Town Council within 2022/23 are as follows:

Neighbourhood Zone	Date	Amount Passed
Aldenham Parish	28 April 2022	£4,196.66
Aldenham Parish	25 October 2022	£168,419.71
Elstree and Borehamwood Town Council	28 April 2022	£67,828.98
Elstree and Borehamwood Town Council	25 October 2022	£72,056.99
Shenley Parish Council	19 April 2022	£0.00
Shenley Parish Council	25 October 2022	£23,013.60
South Mimms Parish Council	19 April 2022	£0.00
South Mimms Parish Council	25 October 2022	£0.00

2.20 The above table shows that £335,515.94 of CIL funding was passed to Parish and Town Councils. This figure is a combination of receipts received in 2021/22 that were allocated for Parish and Town Councils and some of the 2022/23 receipts that were also allocated for Parish and Town Councils to spend. Not all of the 2022/23 receipts allocated for Parish and Town Councils spend were passed to Parish and Town Councils in the same financial year.

2.21 It is important to note that for the 2022/23 reporting period there are now two adopted Neighbourhood Plans in place in Shenley and Radlett.

2.22 Parish and Town Councils have to report on their CIL spend by the end of December, so if you would like to know how the CIL receipts have been spent by these authorities, please contact them for more information.

2.23 The following amounts were allocated towards neighbourhood zones under Regulation 59B, cash provided by the Charging Authority to Neighbourhood Zones equivalent to what they would have received on a payment in kind, during 2022/23.

Zone	Amount	Date	Re allocated from
N/A			

Third party spend

2.24 The following spends within 2022/23 have been passed to a third party to spend on the provision, improvement, replacement, operation or maintenance of infrastructure under Regulation 59(4):

Infrastructure	Amount	Date	Spend Description
N/A			

CIL receipts under Regulation 59E and 59F

2.25 The total collected by Hertsmere Borough Council for 2022/23 under Regulation 59E (CIL returned to the Charging Authority after 5 years if not spent) was £0.00 and under Regulation 59F, CIL collected and retained by the Charging Authority for areas that are not designated Neighbourhood Zones, was £121,854.17.

2.26 The amount of CIL allocated during 2022/23 under Regulation 59E, CIL returned to the Charging Authority that had been passed to a Neighbourhood Zone and had not been applied to infrastructure after a 5-year period, during the 2022/23 is as follows:

Infrastructure	Neighbourhood Zone	Amount	Date
N/A			

2.27 The amount of CIL spent under Regulation 59E during 2022/23 is as follows:

2.28 The amount of CIL allocated during 2022/23 under Regulation 59F is as follows:

Infrastructure	Neighbourhood Zone	Amount	Date
N/A			

2.29 The amount of CIL spent under Regulation 59F during 2022/23 is as follows:

Infrastructure	Amount	Date	Spend Description
N/A			

2.30 The amount of CIL requested under Regulation 59E for 2022/23 is as follows per neighbourhood zone:

N/A	
-----	--

2.31 The amount of CIL still outstanding for recovery under Regulation 59E at the end of 2022/23 for all years is as follows for each neighbourhood zone:

N/A	
-----	--

CIL retained at the end of 2022/23

2.32 The amount of CIL collected, not assigned for Neighbourhood CIL or CIL Administration, for 2022/23 and that had not been spent is £2,139,471.37.

2.33 The amount of CIL collected, not assigned for Neighbourhood CIL or CIL Administration, from 01 December 2014 to the end of 2022/23 that had not been spent is £17,786,901.52.

2.34 The amount CIL collected and that had not been spent under Regulations 59E and 59F 2022/23 are as follows:

Type	Retained
Regulation 59E	£0.00
Regulation 59F	£121,854.17

2.35 The amount of CIL collected from 01 December 2014 to the end 2022/23 under Regulations 59E and 59F that has not been spent is as follows:

Type	Retained
Regulation 59E	£0.00
Regulation 59F	£1,773,508.40

3. Section 106 Report

Introduction

- 3.1 This section of the report focuses on the monies collected, retained and spent by Hertsmere Borough Council from S106 planning obligations.
- 3.2 It is important to note that Hertfordshire County Council (HCC) contributions are often included within the Council's S106 obligations, but HCC will also be publishing an Infrastructure Funding Statement on S106 obligations that have been paid and are due to them for the services they manage i.e. education, transport etc. Please refer to the IFS, published on the county council's website, for more information.

S106 money to be provided through planning obligations agreed

- 3.3 The total amount of money to be provided under any planning obligations which were entered into during 2022/23 is £507,240.32. This figure does not consider indexation (inflation/deflation) that may be applied when the money becomes due.

S106 Total Money Received

- 3.4 The total amount of money received from planning obligations in 2022/23 was £215,851.93.

Non-monetary Contributions

- 3.5 During 2022/23 the following non-monetary contributions have been agreed under planning obligations:
- The total number of affordable housing units to be provided is 22.

S106 Allocations prior to 2022/23

- 3.6 The total amount of money received prior to 2022/23 that had not been allocated is £6,192,139.37.

S106 Allocations in 2022/23

- 3.7 The total amount of money from planning obligations allocated towards infrastructure during 2022/23 was £439,979.45. Of this amount £436,504.40 was not spent during 2022/23.
- 3.8 The following items have had money allocated towards them during 2022/23 with unspent allocations:

Infrastructure	Allocated	Date Allocated	Unspent
Borehamwood Bicycle Scheme- Maintenance	£106,803.03	24 November 2022	£103,327.98
Biodiversity Improvements on Farriers Estate, Borehamwood	£35,000.00	04 January 2023	£35,000.00
Local Cycle Walking infrastructure plan (LCWIP)	£3,680.07	20 March 2023	£3,680.07
Extension of Allum Lane Cemetery, Elstree	£49,298.68	21 November 2022	£49,298.68
Merry Hill Allotments Roadway	£8,927.25	20 July 2022	£8,927.25
Potters Bar Museum Computers	£2,509.00	25 April 2022	£2,509.00

S106 Expenditure

3.9 The total amount of money from planning obligations spent in 2022/23 was £3,475.05. Of this amount £0.00 was spent by a third party on behalf of Hertsmere Borough Council.

3.10 The items of infrastructure that planning obligation money has been spent on and the amount spent are as follows:

Infrastructure	Spent	Date Spent
Borehamwood Bicycle Scheme- Maintenance	£3,475.05	25 November 2022

Other S106 Expenditure

S106 Spent on Repayment on Money Borrowed

3.11 The amount of planning obligation money spent on repaying money borrowed, including any interest, with details of the items of infrastructure which that money was used to provide are as follows:

N/A

S106 Administration

3.12 The amount of planning obligation money spent in respect of administration of planning obligations and monitoring in relation to the delivery of planning obligations during 2022/23 was £nil.

S106 Receipts Retained

3.13 The total amount of money retained³ at the end of 2022/23 is £10,800,722.14. Of this amount retained an amount of £0.00 has been retained for long term maintenance. Please see the below table for a breakdown of the retained maintenance amount.

Description	Amount
Total collected for long term maintenance	£463,094.86
Total allocated towards maintenance	£464,457.46
Total spent on maintenance	£464,457.46

³ 'Retained' refers to S106 sums remaining unspent including sums both 'allocated' and 'unallocated'

4. Spending priorities for CIL

Defining 'infrastructure'

- 4.1 Councils are able to allocate CIL funds towards capital or revenue expenditure but there is no specific definition in national regulations of what is meant by 'infrastructure'. The Planning Act 2008, which provide the legal basis for introducing CIL, only states that infrastructure 'includes' the following:
- roads and other transport facilities,
 - flood defences,
 - schools and other educational facilities,
 - medical facilities,
 - sporting and recreational facilities,
 - open spaces
- 4.2 A subsequent amendment to the Planning Act 2008 specifically resulted in the removal of Affordable Housing from the type of infrastructure which could be funded through CIL.

Future spend priorities

- 4.3 Regulation 121A(1)(a) requires the infrastructure funding statement to include: *"a statement of the infrastructure projects or types of infrastructure which the charging authority intends will be, or may be, wholly or partly funded by CIL (other than CIL to which regulation 59E or 59F applies) ("the infrastructure list")*". Please see Appendix A for more information about the regulation requirements.
- 4.4 The publication of "the infrastructure list" is mandatory and is intended to provide transparency on how an authority intends to use the 'strategic' CIL funds held by the borough council.
- 4.5 As stated in the introduction section, the Council do not control what the neighbourhood proportion passed to town and parish councils is spent on, apart from ensuring that it is spent in accordance with the relevant regulations. The Council will however continue to liaise with town and parishes councils to see where benefits can be achieved in pooling our combined CIL monies.

- 4.6 Future spend priorities will be very much governed by the scale and distribution of future growth within Hertsmere. This will be articulated through the Council's ongoing review of its Local Plan.
- 4.7 Infrastructure needs for this future growth have been tested and established through an Infrastructure Delivery Plan (IDP) for the borough, the first draft of which has been prepared by specialist consultants ARUP. The Baseline Infrastructure Capacity Report⁴ is the first of two parts of the IDP and sets out the baseline context of infrastructure provisions across the borough as a whole and in individual settlements. Emerging results from the IDP suggest that there are no infrastructure types for which providers have indicated a fundamental inability to deliver the likely levels of growth over the plan. Similarly, there is no specific settlement which is fundamentally constrained by infrastructure capacity. However, the IDP highlights the following infrastructure issues that will need to be specifically addressed through the Local Plan process:
- Transport
 - Electricity supply
 - Water supply
 - Schools
 - Primary healthcare
 - Green infrastructure.
- The Infrastructure Delivery Schedule⁵ is the second part of the IDP which sets out the infrastructure requirements of the development strategy to be consulted upon in the Council's Draft Local Plan.
- 4.8 For the purposes of the present IFS (2022/23), the spending priorities will be governed by the previous Regulation 123 list, which until a change in the CIL regulations in September 2019 was the mechanism for governing spend decisions. This list covers broad categories of infrastructure rather than setting out specific projects. However, when the IDP is updated and formally adopted, a more detailed list of infrastructure priorities which will require funding will be provided and shall be reflected in future updates to the Infrastructure Funding Statement.
- 4.9 In addition to the infrastructure categories set out in the previous Regulation 123 list, consideration will also be given to allocating CIL monies towards projects that support delivery of the Council's Climate Change and Sustainability Strategy⁶ and associated action plan⁷. This was adopted by the Council on 14 October 2020 and sets out how it intends to respond to the recently declared climate change emergency. It is expected that many of these climate change projects will reflect the infrastructure categories in the latest infrastructure list.

4.10 Table 1 summarises the infrastructure spending priorities for Hertsmere for 2022/23. These priorities will continue to apply until amended through any subsequent revision to the IFS.

4.11 It is emphasised that the inclusion of a project or type of infrastructure in this list, either now or at a future date, does not signify a commitment from the Council to fund the listed project or type of infrastructure through CIL, either in whole or in part. Similarly, the order in the Table 1 does not imply any order of preference or weighting of one category over another.

Appendix A: The Regulatory Requirements for Infrastructure Funding Statements

The Community Infrastructure Levy (Amendment) (England) (No.2) Regulations 2019

Regulation 121A states:

(1) Subject to paragraph (2), no later than 31st December in each calendar year a contribution receiving authority must publish a document (“the annual infrastructure funding statement”) which comprises the following—

(a) a statement of the infrastructure projects or types of infrastructure which the charging authority intends will be, or may be, wholly or partly funded by CIL (other than CIL to which regulation 59E or 59F applies) (“the infrastructure list”);

(b) a report about CIL, in relation to the previous financial year (“the reported year”), which includes the matters specified in paragraph 1 of Schedule 2 (“CIL report”);

(c) a report about planning obligations, in relation to the reported year, which includes the matters specified in paragraph 3 of Schedule 2 and may include the matters specified in paragraph 4 of that Schedule (“section 106 report”).

(2) The first annual infrastructure funding statement must be published by 31st December 2020.

(3) A contribution receiving authority must publish each annual infrastructure funding statement on its website.

Appendix B: List of Schedule 2 requirements for the Infrastructure Funding Statement

This table compares the relevant paragraphs under Schedule 2 of the CIL Regulations (2019 Amendment) Regulation 121A, against the section within the IFS report.
