

1. What is 'SW Herts, Your Future' about?

We, along with five other Councils in SW Hertfordshire, are working together.

We're working together to agree priorities for the future and to tackle key challenges around transport, healthcare, schools, infrastructure and creating great places to live.

2. Why should I get involved?

We want to hear from you about what you think we should consider as we shape the future of our area.

Only five other groups of councils in the UK are working together like this. By considering a larger area, the opportunities for the future are greater.

3. What about Local Plans?

Each council will still be required to create their own Local Plan. Local Plans will continue to set out the detail of what needs to go where. You can find out the latest on our Local Plan [here](http://www.hertsmere.gov.uk/newlocalplan). [insert link to www.hertsmere.gov.uk/newlocalplan]

'SW Herts, Your Future' is about the whole of SW Herts and will consider the longer term, up to 2050.

4. How can I get involved?

Complete the polls to let us know what you think. Leave your details if you would like to get involved in more detail. Spread the word.

Good change is going to happen; we want to know what's important to you up to 2050 and what kind of places you want to live and work in.
