.....

as a local resident of Bushey, wish to make a representation fully supporting
Hertsmere Council's SADM Plan and that it should include The Paddock, Elstree
Road, Bushey (reference BH007) as a designated Local Green Space.

We agree with Hertsmere Council's inclusion of this site in their SADM Local Plan.

Additional comments (optional):

The increased number of vehicles if flats were to be built
would have a huge impact on local traffic and on road
safety. This land is also the last remaining piece of the original
'Bushey Heath'.
