I (Name) Jeanette Turner of

(Address & Postcode) [REDACTED]

as a local resident of Bushey, wish to make a representation fully supporting Hertsmere Council's SADM Plan and that it should include The Paddock, Elstree Road, Bushey (reference BH007) as a designated Local Green Space.

We agree with Hertsmere Council's inclusion of this site in their SADM Local Plan.

Additional comments (optional):

Additional building in this area is not sustainable. The infrastructure is at breaking point. There are too many developments in the area.
