please

as a local resident of Bushey, wish to make a representation fully supporting Hertsmere Council's SADM Plan and that it should include The Paddock, Elstree Road, Bushey (reference BH007) as a designated Local Green Space.

I STRONGLY agree with Hertsmere Council's inclusion of this site in their SADM Local Plan.

Additional comments (optional):

ANY Residential development on this site would mean only more traffic on Elstree Road and Caldecote Gardens/Woodfield Rise, which is already experiencing this since the opening of the nursery school on the Emarthel College site. Enough is enough!
