as a local resident of Bushey, wish to make a representation fully supporting Hertsmere Council's SADM Plan and that it should include The Paddock, Elstree Road, Bushey (reference BH007) as a designated Local Green Space.

We agree with Hertsmere Council's inclusion of this site in their SADM Local Plan.

Additional comments (optional):

We must protect our urban green spaces for future generations. It's importance must not be underestimated.
