Dear Resident

**Amendment to the proposed waiting restrictions in Gills Hill Lane, Radlett**

Following the consultation carried out in January 2019, the Council has had the opportunity to review the responses. As a result of comments received to the proposal and officers' assessment of the area, the Council is proposing some further changes to the area.

The proposed change is:

- to extend the single yellow line on the east side of the road (please see the attached map)

If no objections are received to the proposal it is likely that the Council will implement the proposals. Should you wish to comment on the proposals, please let me know your views in writing no later than **21<sup>st</sup> June 2019** either by email at the email address above or in writing to the address listed at the top of this letter.

If you have any questions please do not hesitate to contact me.

Yours sincerely

Tunde Ogunro  
Traffic Engineer
