Dear Resident

Change of waiting restrictions in Manor Way, Borehamwood

Hertsmere Borough Council has received complaints and concerns about inappropriate and inconsiderate parking in the above area. In response to these concerns, we have reviewed the area and propose to change the single yellow line to double yellow lines in Manor Way. These restrictions will improve road safety, vision splays and traffic flow.

The purpose of this letter is to inform you of our proposal to introduce no waiting restrictions. Please see the attached map which shows the extent of the proposal in your area.

If you would like to comment or have any concerns with the proposal, please let me know either by email at the email address above or in writing to the address listed at the top of this letter. Please mark any correspondence for my attention.

If no objections are received to the proposal it is likely that the Council will implement the proposals and no further consultation will take place. The legal order will be sealed and will appear in the local newspaper. If one or more objections are received, this will be considered by the local ward Councillor and Council Officers before a decision is made on whether to implement the proposal or not.

I look forward to receiving your response by **16th July 2019**.

Yours sincerely

Tunde Ogunro
Traffic Engineer
