Dear Resident

Hertsmere Borough Council is currently reviewing parking in Bushey Village in response to concerns raised by residents about parking in the area. In anticipating any displacement of parking into nearby roads and to prevent your road becoming isolated area of unrestricted parking, the council is seeking the views of residents of Meadowcroft through this informal consultation on the principle of introducing waiting restrictions in your road.

Please complete the simple questionnaire included with this letter and return it along with any other feedback you may have in the reply paid envelope (NO STAMP REQUIRED), to reach the council by **19th November 2021**.

Based on the feedback from this consultation, the council will decide whether or not to develop detailed proposals to control parking in Meadowcroft as identified in the attached map.

Many thanks for taking the time to read this letter and for your participation in the consultation process. Your views will be important in guiding the council's decision on how to best address parking problems in your road.

Yours sincerely

Tunde Ogunro
Traffic Engineer
