Dear Resident

### **Norman Court Parking Consultation**

Thank you for your feedback in response to our consultation in Norman Court. Having considered all comments received, we have amended the design and taken into the consideration the likelihood of parking displacement into Norman Court, once the parking restrictions start to operate on Hatfield Road.

The Changes made are as follows:

1. Reduced the length of double yellow lines to protect access only.
2. Removed the disabled bay outside Numbers 15 and 16 Norman Court
3. Propose a Permit Zone, which will not have bay markings to maximize parking and will require cars parked within the zone to have a permit.

Please see the attached map for these details.

Kindly let me have your views on the amendments made by completing the questionnaire on the reverse of this letter and return to me by the **2<sup>nd</sup> September 2019**. The questionnaire can be returned using the pre-paid envelope or via email to:

[parking.policy@hertsmere.gov.uk](mailto:parking.policy@hertsmere.gov.uk)

Please let me know if you have any queries.

Yours sincerely

Tunde Ogunro  
Traffic Engineer
