Dear Resident

Parking changes in Baker Street, Potters Bar

Following residents' concerns relating to inappropriate and inconsiderate parking in Baker Street, the council is proposing a number of changes to the current parking restrictions.

These proposals are –

1. Extend the double yellow lines at Baker Street junction with Mutton Lane.
2. Remove resident parking bays outside Nos 14 & 16 Baker Street and replace with single yellow line.
3. Introduce two resident parking bays on Daleside Drive and one on Baker Street.

All the changes are shown on the attached map for your information.

This letter seeks your views on the proposed changes and I would be grateful if you could complete the questionnaire on the reverse of this letter and return it by 8/4/19. The questionnaire can be returned using the pre-paid envelope or via email using the address above.

Yours sincerely

Tunde Ogunro
Traffic Engineer
