Councillor Peter Knell - Chairman of Standards Committee (Chairman)

Mr. Jagat Chatrah - Independent Person

Harvey Patterson - Monitoring Officer, Hertsmere Borough Council

Panel Decision

That no further action be taken in respect of the complaint.

Reasons for Decision

- A review of the re-posted photograph and related comments revealed that Councillor Vince had utilised a private e-mail address throughout and that her remarks did not refer any of the functions and responsibilities of Hertsmere Borough Council
- Paragraph 2.1 of the Members Code of Conduct of Hertsmere Borough Council provided that the Members must comply with the Members Code of Conduct when conducting the business of the Council, or acting, claiming to act or giving the impression that they were acting, as a representative of the Council.
- Paragraph 2.2 of the Members Code of Conduct further provided that the Code only had effect in relation to their conduct when they acted in an 'official capacity'; that is to say, the Members Code of Conduct did not apply to the conduct of members when they acted in a private capacity.
- Although the Panel did not condone the conduct of Councillor Vince in re-posting a photograph from Councillor Parnell's Facebook account to the pages of the Borehamwood Not Elstree Facebook Group, nor did the Panel condone the comments made by Councillor Vince which in the view of the Panel inferred improper conduct on the part of the complainant and Councillor Parnell, there was nothing to suggest that in so doing Councillor Vince was acting in an official capacity as a member of Hertsmere Borough Council or that she was acting, claiming to act or giving the impression that she was acting, as a representative of Hertsmere Borough Council.
- As it was clear that the complaint related to the conduct of Councillor Michelle Vince in a private capacity, it followed that such conduct could not constitute a failure on the part of Councillor Vince to comply with the requirements of the Members Code of Conduct of Hertsmere Borough Council.
