Date FOI Received: **14/02/2019**
Department: **Council Tax**
Title: **Student Council Tax**
Description: **Court summons for council tax for former students 1 January 2018 to 1 January 2019.**

Request: *(As Redacted sent by requestor)*

I would like to request some information under a freedom of information request. I seek to find out how many university students forget to pay council tax when their student status is over.

My question is below:

1. How many court summons have been issued to former students (within 3-6 months of changing student status) between January 1st 2018 - January 1st 2019 for refusal of paying council tax. Can this information be provided in a spreadsheet showing the court summons, the outstanding payment, and when it was paid.

If you need any clarification please let me know. I aim to explain how students can be caught out with council tax payments when they graduate from university.

Response: *(Response as Redacted sent by service)*

We do not hold this information. We do not monitor what happens to accounts after a student exemption expires and there is no way that we can link those who have had a summons with the ending of a student account within 3-6 months

If you have any queries about the processing of your request then please do not hesitate to contact me. Further information explaining the Council's process for responding to information requests together with a complaints/appeals procedure is available in our reception or via our website at:
