Date FOI Received: **11/03/2019**
Department: **Community Services**
Title: **CPN issued 2016-2018**
Description: **Details of Community Protection Notices (CPN) or Community Protection Warnings for the years 2016, 2017, and 2018**

Request: *(As Redacted sent by requestor)*

Dear FOI Team,

I am writing to request the following information under the Freedom of Information act:

- 1) For the years 2016, 2017 and 2018, please may I have **both**:
 - a) The number of Community Protection Notices (CPNs) issued,
 - b) And the number of CPN warnings issued.
- 2) Additionally for the years 2016, 2017 and 2018, please may I have **either**:
 - a) The full text of every CPN issued (along with the date) with any personal info redacted,
 - b) Or a general description of the subject matter and cited justification for the CPN if 2a) is not possible.

Please do **not** provide this in a pdf format - It would be much appreciated if this information could be provided in an excel or csv format - I often ask this but councils forget and it can be a real nightmare trying to extract information from a pdf!

If it is not possible to provide the information requested due to the information exceeding the cost of compliance limits identified in Section 12, it would be great if you could provide advice and assistance, under Section 16, as to how I can better word the request or make it easier for you.

Generally speaking if you can identify any ways that my request could be refined I would be grateful for any further advice on it.

If you have any queries please don't hesitate to contact me via **<REDACTED>** and I will be very happy to clarify!
