Description: **Details of the business rates data webpage and when it will next be refreshed.**

**Request:** *(As Redacted sent by requestor)*

I have an enquiry relating to the business rates data held on the councils website , the data has either not been updated for a number of months or the page has moved.

Could you please :

- provide us with the current webpage for the data you publish relating to business rates
- Confirm when the page was last updated and when it will next be updated.

Thank you for your time and I look forward to hearing from you

Kind Regards

**Response:** *(Response as Redacted sent by service)*

We have not updated the data on the website since last summer. However, we are in the process of putting on fresh data to take into account new financial year information including:

- List of new businesses
- Explanatory notes from central government
- Information regarding Retail Discount

We hope to have this information on by the end of next week.

As far as I am aware, the website details have not changed. The business rate information can be found here:
