Department: **Business Rates**
Title: **Small business rates relief**
Description: **Details of small business rates relief for properties with a Rateable Value between £12,000 and £15,000 since 2017.**

Request: *(As Redacted sent by requestor)*

I am aware that all Billing Authorities hold records of businesses that have or have not applied for small business rates relief.

We would like to obtain a list of businesses who are not receiving small business rates relief. If this information relating to unclaimed small business rates relief is available on the website then please also indicate when the requested information (spreadsheet or website) has been updated.

I therefore request a breakdown of businesses who are not receiving small business rates relief with a Rateable Value between £12,000 and £15,000 since 2017, including the following information:

- A) The name of each business in respect of which non-domestic rates are payable.
- B) The Rateable value of the property
- C) The address of the business in respect of which non-domestic rates apply
