Title: **Cost of streetlights**  
Description: **Details of the cost of street lighting and the savings through use of LED and part night lighting.**

**Request:** *(As Redacted sent by requestor)*

Dear Hertsmere Borough Council,

I am sending a freedom of information request for all info and documentation regarding:

- 1) The cost annually for having the boroughs streetlights on throughout the night.
- 2) What is the exact saving made annually by turning the streetlights off (usually from midnight to 6am they are off from my experience).
- 3) What has been the cost thus far of changing the streetlights to LED lighting, how many lights have been changed to LED already and what is the anticipated cost of changing all of the lights over to LED lighting throughout the borough.
- Finally 4) What will be the saving annually for powering the LED lights compared to powering the current standard/current lights per hour

Yours faithfully,
