Title: **Public Space Protection Orders (PSPOs)**  
Description: **Details of Public Space Protection Orders (PSPOs) relating to dogs and their impact.**

**Request: (As Redacted sent by requestor)**

I would like to make a request for information under the Freedom of Information act (2000). With your help, we plan to piece together an accurate map of Public Space Protection Orders (PSPOs) across the UK, allowing dog walkers to better understand the restrictions that are in place on a national level.

The PSPOs relating to dogs could be:

- Fouling of Land by Dogs Order
- Means to Pick Up
- Dog Exclusion Order
- Dog Exclusion Order & Beaches
- Dog Exclusion and Sport Pitches
- Dogs on Leads Order
- Dogs on Lead by Direction Order
- Taking more than a specified number of dogs onto a land Order

There may be other PSPOs in place involving dogs that we are not aware of and would like information of in this request if they are currently in place within your council. With this in mind; could you please provide me with this information by filling in the table on the attached document?

1. In the 1<sup>st</sup> column, please list all the PSPOs relating to dog ownership that your council currently have in place. Please add a new row for each separate PSPO. If no PSPOs relating to dog ownership are in place in your council, please write 'None' in column 1, and return in form to us.
2. In the 2<sup>nd</sup> column, please list the locations and nearest postcodes of the areas where PSPOs are in place.
3. In the 3<sup>rd</sup> column, please state what date this PSPO came into force.
4. In the 4<sup>th</sup> column, please state how many fixed penalty notice fines have been issued to dog owners for violating this order since it was implemented.
5. In the 5<sup>th</sup> column, please state any evidence you have seen that the PSPO has had an impact on the issue it was put in place to address (for example: if the PSPO was put in place to reduce dog fouling, has there been a reduction in the number of complaints about dog fouling?)

Further to this request, we would be interested in discussing PSPOs that your council currently have or do not have in place. In the 2<sup>nd</sup> table, please check the box if you would be happy for us to contact the most appropriate person at the council for further information.

**Response: (Response as Redacted sent by service)**
