Response: (Response as Redacted sent by service)

Hertsmere Borough Council has 340 employees and the Council uses MS Office 365.

On inspecting our records and the information which we hold, it would appear that the other information requested is covered by an exemption or exemptions contained within the Act. We are required to explain why we believe this to be the case.

The information which you have requested is, in our opinion, exempt from a request under Section 1 of the Freedom of Information Act 2002 because of the exemption contained in Section 35 of the Act.

While we believe the exemption in Section 31(1)(a) applies in this case, we would still be obliged to release this information in respect of your request except for where the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Hertsmere Borough Council acknowledges the significant public interest in openness and transparency and therefore recognises that any request under Section 1 of the Act is potentially in the public interest. However, in dealing with your request we have taken into consideration whether the public interest is best served by disclosing or

withholding the information. Disclosure of this information could potentially facilitate cyber-attacks on the Council, which would not be in the public interest. We are not aware of any particular public interest in the subject matter of your inquiry which would outweigh maintaining the exemption.

If you have any queries about the processing of your request then please do not hesitate to contact me. Further information explaining the Council's process for responding to information requests together with a complaints/appeals procedure is available in our reception or via our website at:
