Department:	**Waste and recycling**
Title:	**COVID-19 and recycling**
Description:	**Kerbside recycling process since the start of COVID-19 pandemic**

Request: **(As Redacted sent by requestor)**

Please can I ask:
- how many tonnes of kerbside recycling you collected in each of the past three years broken down by (a) plastics (b) glass, (c) paper (d) card.

Please can I ask if since the start of the COVID-19 pandemic any of these groups (a), (b), (c) or (d) are still being sent for recycling or are now being sent to landfill or an incinerator.

If any of these groups (a), (b), (c) or (d) are now being sent to landfill or an incinerator, when and why was this decision taken?
