

**FOI number:** HBC\_FOI\_20200196  
**Date FOI Received:** 02/03/2020  
**Department:** Housing  
**Title:** ACM Cladding  
**Description:** Residential buildings with aluminium composite material (ACM) cladding

**Request:** (As Redacted sent by requestor)

Dear FOI team,

Please could you supply a list of how many residential buildings with aluminium composite material (ACM) cladding there are in the local authority area.

Please supply the following details on each of these buildings:

- The number of storeys
- The name of the building
- Whether the building has sprinklers
- Whether the building contains social housing and the percentage
- Whether the building has a team of “waking watch” fire wardens in place – and if so, how many, on what shifts.
- If the building has fire wardens what the cost paid for the service is:
  1. Per shift
  2. Per annum to the company
  3. The cost paid so far since contracting wardens
  4. How long the contract is for
  5. The name of the contracted company
  6. A copy of the contract, with all commercially sensitive data redacted

Also, please could you provide me with all documents and correspondence including emails, relating to the cost of fire wardens and any quotes supplied for the removal of ACM cladding.

Please let me know when you have received this email.

Thank you in advance,

**Response: (Response as Redacted sent by service)**

We have no records of any residential properties currently clad with ACM material.

If you have any queries about the processing of your request then please do not hesitate to contact me. Further information explaining the Council's process for responding to information requests together with a complaints/appeals procedure is available in our reception or via our website at:
