Date FOI Received: **15/01/2021**
Department: **Information Digital Services**
Title: **Local Authority IT systems**
Description: **Web domain blocking**

Request: (As Redacted sent by requestor)

I wish to file a freedom of information request to understand how your Local Authority IT systems block or allow certain websites.

In particular I would like to know, is the web domain "tryal.ai" currently blocked by your Local Authority IT system?

Does this block affect schools and education centres within your local authority?

What is the process to apply for the block to be removed?

Response: (Response as Redacted sent by service)

Hertsmere Borough Council does not currently block web domain tryal.ai or the top-level domain.

Hertsmere Borough Council are not responsible for schools and education centres, this is a county council function in Hertfordshire and you should contact Hertfordshire County Council.

Hertsmere Borough Council will consider unblocking websites if the website is required for council business purposes. Please contact our Customer Services department who will be able to assist.

If you have any queries about the processing of your request then please do not hesitate to contact me. Further information explaining the Council's process for responding to information requests together with a complaints/appeals procedure is available in our reception or via our website at:
