- How Hertsmere funds our annual revenue expenditure
- Council tax collected in Hertsmere
- Analysis of the 2017/18 council tax levy for Hertsmere residents
- CIPFA budget categorisation

Factors affecting the 2017/18 budget

Introduction

Hertsmere Borough Council - a Brief Profile

The Borough has a population of about 100,320 and covers just over 39 square miles (about 10,200 hectares) in the south of Hertfordshire. There are 44,838 dwellings in the area and 3,071 commercial premises.

From its southern border with the London Boroughs of Harrow, Barnet and Enfield, the Borough extends north, again sharing on its eastern side a common boundary with Barnet and further north with Welwyn Hatfield. The City and District of St. Albans form the northern boundary, with Three Rivers District and the Borough of Watford to the west. A location map of Hertsmere is on page 6.

There are four main centres of population. Bushey lies in the west, Potters Bar in the east and Elstree/Borehamwood, with the largest population, almost equidistant between the two. Radlett, the fourth main centre, is two miles to the north of Borehamwood. Hertsmere is one of the most favoured residential districts situated to the north of London and has some of the finest schools in the country. The Borough has excellent transportation links - Central London is a mere 25 minutes from Elstree and Borehamwood railway station.

How the Council Operates

The Council is composed of 39 Councillors with elections every 4 years. Councillors are democratically accountable to residents of their ward.

Councillors agree to follow a Code of Conduct to ensure high standards in the way they undertake their duties. The Standards Committee trains and advises them on the Code of Conduct.

All Councillors meet together as the Council. Meetings of the Council are normally open to the public. Here Councillors decide the Council's overall policies and set the budget each year. The Council appoints the Leader, considers the Leader's proposals for membership of the cabinet and appoints the Overview and Scrutiny Committees and the Standards Committee. At these meetings there is a provision for questions from the public, which have been received in advance of the meeting to be answered.

The Council's Revenue Budget

The Council's Revenue Budget represents the Council's target for the cost of providing its ongoing services in the forthcoming year. The Council is required by law to set a balanced revenue budget each year, showing how it intends to fund the services it plans to provide in the forthcoming year.

The revenue budget therefore reflects the financial implications of the Council's aims and objectives for the forthcoming year including those priorities contained in the Corporate Plan.

Achieving a Balanced Budget

Each year the Council is required under statute to present a balanced budget. The cost of providing its ongoing services needs to be balanced by the funding received through government grants, council tax and fees & charges. The declining level of government grants in recent years means that the council really only have the following options to consider in achieving this requirement:

- Reduce the annual expenditure requirement by making expenditure savings or increasing the level of fees and charges.
- Increase the level of Council Tax.

In order to minimise the financial burden on its residents, the Council has increased the average Band D council tax by £5 this year. This has been achieved by savings on service improvements and other efficiencies.

The outcome is a considered balance that protects essential services and reduces reliance on one-off income. Applying further efficiency savings would increase the risk of reducing current service levels. A combination of market forces and statutory guidelines together prevent further increases in fees and charges.

The Council's key aim in setting the council tax for 2017/18 has been to maintain, if not improve, value for money to the local taxpayer for the services it provides and to continue to reduce our dependence on investment income and central government grants.

The Comprehensive Spending Review 2015 (CSR15), part of the Chancellor's Autumn Statement on 25 November 2015 included the announcement of the complete phasing out of Revenue Support Grant (RSG) by 2019/20.

Other more recent announcements affecting local government finances:

- Local Government full localisation of business rates from 2019/20, which will see

the whole of the revenue from the non-residential property levy devolved to local government, with authorities retaining all the growth. This will come with additional responsibilities including Housing Benefit Administration, Public Health and Attendance Allowance. There is no real detail on this as yet but there is likely to be an equalisation process to ensure that individual LA's do not lose or gain significant funding so tariffs and top-ups will continue in some form or another.

- There was a Business Rates revaluation on the 1 April 2017.
- Greater flexibility for local authorities on the use of proceeds from the sale of assets.
- The New Homes Bonus grant is to decrease by £800m nationally and payments are to reduce from six to four years, phased over two years from 2017/18.

This summarised revenue budget statement represents, in financial terms, the policies, aims and objectives of Hertsmere Borough Council for the financial year 2017/18. It includes statistics and background information supporting the budget figures and a brief explanation of the duties and responsibilities of the Executive, committees and business units of the Council.

It also includes the Council's capital programme for the years 2017 to 2020.

The Revenue Budget Setting Process

Setting an achievable revenue budget is dependent upon resolving the fundamental conflict between the desire to improve services whilst at the same time ensuring that the cost of those services to the taxpayer is acceptable.

In order to resolve these conflicting aims, the Council needs to gain a clear understanding of the following factors:

- Which areas the Council considers to be its priorities for allocating funding. (see the section on Corporate Planning below)
- What level of funding is required to provide each service for the forthcoming year?
- Whether any efficiency savings or innovative service delivery solutions are possible for each service (e.g. through partnerships).
- Whether any additional income can be generated, either in the form of government grants or through fees and charges levied.
- After consideration of all of the above factors, what will be an acceptable level of council tax for the forthcoming year?

In order to gain a clear understanding of each of the factors listed above, consultation is undertaken formally with the following groups prior to presenting a proposed budget to full council for approval:

- Service Managers.
- The Portfolio Holder for Finance and the Leader of the Council.
- The Budget Panel.
- The Executive as a whole.
- Overview & Performance Committee.
- Business Ratepayers.
- Residents, through the Corporate and Community Planning processes outlined below.

The Council's Budgets must be approved at a meeting of the full council in order for it to be enacted. Full council agreed the 2017/18 budget presented in this book on 28th February 2017.

Corporate Planning and the Annual Budget

The revenue budget needs to be considered in the context of the Council's wider aims and objectives for delivering its services. In order for the Council to be able to meet its targets for delivering services, it is necessary to ensure that the right amount of funding is available for each service in the revenue budget. Equally, the provision of services is constrained by the level of financial resource available through the revenue budget. Thus service delivery and financial planning are closely linked.

In order to deliver best value to its taxpayers, Hertsmere is continually reviewing its services, operational structure, and systems. The Council is committed to seek value for money from all its services and has a record of significant improvements in the efficiency and effectiveness of its services to the benefit of council taxpayers and users of services.

To support this aim, the Council carries out consultation with local residents, including regular community surveys and more specific surveys with a panel of local residents. These surveys have also been used to establish local priorities for service delivery and are articulated through the Council's Corporate Plan Review.

Hertsmere Borough Council has a leading role to play in improving the quality of life for people who live and work in the Borough. The Corporate Plan sets out the vision, values and corporate goals of the Council and builds on the achievements of the previous Corporate Plan. The Plan contains an agenda for further improvements with a number of priority

actions. The actions in the plan seek to address the important issues identified by local people in the Place & Residents' Survey.

It will be possible to monitor progress on the range of activities that the Council will be doing throughout the year to improve council services and quality of life for residents through a number of ways, but primarily through our community magazine, Hertsmere News and via our website (www.hertsmere.gov.uk) as well as through social networking sites such as Facebook and Twitter.

The Council's current Corporate Plan was adopted in 2009 and was extended in 2013 to reflect the move to all out elections. A detailed review process has been underway since early 2015 and the new "2020 Vision", sets out the updated vision, values and priorities which have emerged from the process.

The 2020 Vision will aid decision making by keeping the council focused on what matters to residents and other key stakeholders and is a vital means of communicating the priorities of the Council to these groups.

It will be supported by an Annual Corporate Action Plan setting out high level proposed actions for the forthcoming year and a retrospective Annual Report which will detail work done by the council from the previous year. The Performance Strategy will also be refreshed to reflect this approach and a revised set of performance indicators will be produced to reflect the council's updated priorities.

The **2020 Vision** identifies three high level priorities;

- **Being an Enterprising Council:** Financial resilience, self-sufficiency, innovative ways to deliver services, use of collaborative working, optimise our assets
- **Planning for the future:** Enable growth to meet the demands of our residents, support a thriving economy, increase the supply of local housing, protect and enhance the environment
- **Supporting our communities:** Support residents to be healthier and live longer, work in partnership to build safe, strong and cohesive communities, provide opportunities to enable all people to live fulfilling lives

The content of the Annual Corporate Action Plan will be developed in conjunction with Senior Officers and the Executive and will reflect high level priority actions for the Council over the next 12 months. It is intended that each line in the Corporate Action Plan will also be subject to separate, more detailed project and risk management processes, which will include the establishment of qualitative and quantitative performance indicators and regular monitoring of these at both Officer and Member level.

The Corporate Actions will then be reflected in relevant Departmental Service Plans which are being produced across the council. It should be noted that Departmental Service Plans will continue to reflect the wider work carried out by each service area in addition to that identified as a corporate priority for action. The budget process will be based on information contained within each service plan.

Departmental Service Plan actions will, in turn, feed down to individual staff Key Result Areas which are monitored through the existing appraisal process.

The major constraint to this process is the limited resources that the Council has available. Hertsmere is in the difficult position of having inadequate ongoing revenue resources available to meet all of the needs contained within each service plan.

This is due in part to additional funds being required for issues outside the Council's control and increases due to government legislative requirements. However the main constraint is the sustained decline in central government grant. Since 2010 Hertsmere has had a reduction in general government grant of £5.474m or 69%, which means that the cost of providing the councils services is falling increasingly on taxpayers.

The Council has prioritised its service improvement programme for 2017/18 in line with the service priorities mentioned above.

Funding the Annual Revenue Budget

Revenue Support Grant (RSG), Redistributed National Non-Domestic Rates (NNDR), and other government grants

Central Government sets the level of grants payable to Hertsmere each year. The Council therefore has very limited control over the level of these sources of income.

Fees and Charges and Rental Income

The Council also receives income from fees & charges and property rental. However, the scope for significantly increasing the income from these sources is limited because:

- For rental income and certain fees and charges, the Council must remain competitive with other providers.
- Some fees and charges are determined by Central Government guidelines.
- Other fees and charges relate to services provided for the benefit of the community where the Council aims to make the service accessible by making it available at a reasonable cost.

Council Tax

Setting council tax at the correct level is one of the main ways that the Council can achieve a balanced budget.

In setting the council tax each year, the Council needs to balance the requirements for additional funding with our aim to keep the financial burden on residents at a reasonable level.

Council Tax Collected in Hertsmere

Hertsmere Borough Council acts as the billing authority for all council tax payments on behalf of Hertfordshire County Council, Hertfordshire Police & Crime Commissioner and the Parish/Town Councils of Aldenham, Elstree and Borehamwood, Shenley and Ridge.

Although all of the council tax is collected by Hertsmere Borough Council, the share that we retain is just 10%.

Council Tax to be collected 2017/18	Hertfordshire County Council	Police & Crime Commissioner	Parish & Town Councils	Hertsmere Borough Council
	78% £49,957,877	10% £6,095,200	2% £1,171,558	10% £6,709,002

All council tax receipts are paid into a ring fenced account called the collection fund. The receipts arising from council tax remain in the fund until specified dates when payments are made to all precepting authorities and the Borough Council.

The average total council tax levy for band D residents in Hertsmere is £1,594.36. Parish Precepts vary depending upon location but are on average 2% of the total bill as shown above. The average total council tax levy for other bands is determined as a fixed proportion of the band D charge. For example, band A is calculated as 6/9 of the band D charge and band H is calculated as 2 times the band D charge.

Factors affecting the 2017/18 revenue budget

2017/18 is shaping up to be another year when the council has difficult choices to make about which services to prioritise. There are a number of factors driving this which have been building over a number of years. The main pressures affecting the council are;

- **Increased employee costs** 1.5% pay award, business transformation, pension auto-enrolment Revenues restructure, Apprenticeship Levy
- **Service improvements & increments** Homelessness accommodation costs, contractual increments, software enhancements, ground maintenance
- **Decreases in income** Vehicle licensing, Investment Income

The pressures noted above have been managed by increases in income from fees and charges, identification of budget savings and efficiencies and to a small extent the utilisation of earmarked reserves. The table on page 13 breaks down the budget movements by service.

Building Control (Service now provided by Hertfordshire Building Control Ltd)

HG100

Purposes:

In July 2016 seven district councils joined together to create an independent company to deliver building control services with an Approved Inspector subsidiary across the county.

The new company, Hertfordshire Building Control Limited is based at Hertsmere Borough Council's Civic Offices in Borehamwood and aims to offer greater flexibility and value for money for anyone seeking approval for building work.

Previously, each local authority provided its own separate building control services. Under the new arrangement, it is expected that the councils will be able to compete more effectively in an increasingly commercial market.

Waste Services

HF100, HF110, HF120

Purposes:

The Council has a duty under the Environmental Protection Act to provide a household waste collection service free of charge and comply with government targets for the recycling of domestic waste.

The recycling operation includes contractor costs for the servicing and maintenance of Recycling Banks. In addition Hertsmere provides in-house 'kerbside' collections of newspapers, magazines, plastic and cans as well as green waste from domestic properties.

Income is derived from the sale of material collected and from the government funded 'recycling credits' paid by Hertfordshire County Council.

As part of the control of infectious disease Waste Services provide and collect "sharps boxes" and collect and arrange for the safe disposal of other clinical waste.

In addition to the regular weekly and fortnightly collection ad hoc collections are also made at over 100 domestic dwellings each year.

Allum Lane Cemetery and Closed Grounds

HE101

Purposes:

The Council has duties in respect of the provision and regulation of cemeteries. The Allum Lane Cemetery is available for burials and Hertsmere has entered into a joint agreement with four other authorities to provide and manage the West Herts Crematorium at Garston, there are no costs associated with this agreement.

Additionally, Hertsmere is responsible for the maintenance of closed cemeteries (not available for burials) at St James, Bushey, Mutton Lane, Potters Bar, and St Botolph's, Shenley. These are maintained under the Grounds Maintenance Contract.

Grounds' Maintenance and grave digging works at Allum Lane are also part of the Grounds Maintenance Contract.

The Cemetery is available for burial of non-Hertsmere residents, for which triple the normal charge is made. The cemetery is open at the following times.

Daily 9.00 am – 5.00 pm – 365 days a year.

Parking Services

HH800, HH810

Purposes:

- Implementation of the Council's Parking Policy (1991 Road Traffic Act - Decriminalisation)
- Administration of enforcement of parking restrictions throughout the borough
- Administration and enforcement of Controlled Parking Zones (CPZ) and Council owned and operated car parks
- Maintenance of Council car parks
- The team is responsible for the design and implementation of Controlled Parking Schemes and the Council's car parking policies.
- Creating new and amended Traffic Regulation Orders to enable off-street car parking measures to be introduced, including Controlled Parking Zones

Controlled Parking Zones and Decriminalisation

The Council first decided to introduce Controlled Parking Zones (CPZ's) in 1989 as a means of reducing commuter parking in residential streets to ease traffic congestion and to maintain and improve road safety. Following extensive public consultation over several years CPZ schemes were introduced in the central areas of Borehamwood and Radlett in 1996.

Since implementation the two parking schemes have been continually monitored and subsequently modified as requested by local residents, members and others to suit constant changes in local circumstances and to minimise the effects of parking transfer. All proposed changes were discussed with local members prior to approval.

On 30th January 2006 the Council assumed responsibility, under what is known as decriminalisation (DPE), for the enforcement of all parking restrictions throughout the Borough. Furthermore, the provisions of Part 6 of the Traffic Management Act 2004 were implemented in Hertsmere on the 31st of March 2008.

Car Parks and Parking

The Council's aim is to maintain adequate parking facilities throughout the Borough to support local needs.

The objectives of the service are to implement appropriate actions to properly control and enforce both off and on street parking in all main town centres to make optimum use of all available spaces.

Key Statistics:

The Council provides 13 car parks throughout the Borough providing approximately 1,652 spaces in total.

Highways Related Maintenance Items

HH400, HH410, HH420, HH430, HH500, HH700, HH710

Purposes:

This budget covers all of the Council's residual highway functions and responsibilities following termination of the highways agency agreement.

Bus Shelters – The aim is to provide and maintain to a safe standard all remaining bus shelters in Hertsmere, not incorporated within the Adshel Agreement signed by HCC, in liaison with the Parish and Town Councils and bus operators.

Street Furniture – The provision and maintenance of general street furniture.

Footway Lighting – Inspection and Maintenance of lighting on footpaths owned by Hertsmere.

Street Nameplates – The aim of this service is to co-ordinate the proper naming and numbering of new streets as development occurs, ensuring that all proposed names are acceptable to all parties. The Public Health Act imposes a duty on Hertsmere to ensure that streets are properly named and identified. The purpose of this budget is to repair or replace existing street nameplates.

Traffic Management Scheme – In order to assist in identifying problem areas, the Council funds a limited programme of traffic surveys and associated activities.

Town Centre Management – The continuing programme of town centre enhancement requires a budget for routine repair to ensure the quality of the street scene is maintained.

Inspection of Unadopted Roads and Footpaths – The council is responsible for maintaining unadopted roads and footpaths owned by the council and is required to carry out routine inspection and maintenance of them.

Street Markets – The Council introduced a regular street market operating on Tuesdays and Saturdays in Shenley Road, Borehamwood during 1994. A private company manages the market on the Council's behalf under the provisions of an operating contract.

Partnership Unit

HD600

Purposes:

Partnership Unit has responsibility for ensuring that the Council complies with its legislative duties in relation to:

- Community planning primarily through the Local Strategic Partnership.
- Crime and disorder primarily through the Community Safety Partnership.

It also manages the following direct community services:

- Close circuit television services.
- Museums and heritage services.
- Sports development.
- Youth projects.
- Voluntary sector grant aid / Ward Improvement Initiative Scheme (WIIS)

The Unit provides the following functions:

Leisure Services Contract

The unit provides a liaison function to ensure that the Hertsmere Leisure Trust is delivering a leisure facility management service in line with agreements made as part of the new leisure contract which came into force 1st February 2012.

Community Safety Agencies / Police Liaison

As well as having responsibility for the Council's approach to community safety, the unit has a distinct role in maintaining positive links with Hertfordshire Constabulary and the Police and Crime Commissioner.

Voluntary Sector Liaison

Council Tax & Non Domestic Rates Administration

HB610, HN160, HB600,

Purposes:

Council Tax replaced Community Charge from 1 April 1993. It is based on property values as at 1 April 1991 and, for the basic tax, assumes that two people are resident. A 25% reduction applies where only one adult is resident.

The amount a household pays depends upon which of the eight valuation bands the property falls into. The District Valuation Office has determined the property values for each band. Arrears levels are substantially less than those encountered under Community Charge.

The costs of collecting the National Non Domestic Rates along with Council Tax collection costs are reflected here.

Shared Anti-Fraud Service

HJ830

Purposes:

To detect, investigate and prevent Council Tax and Housing Benefit Fraud.

To support and facilitate the Council's aims and objectives by delivering an efficient and effective service, by working with both internal and external partners and by promoting a culture of honesty, openness and accountability.

All investigations are undertaken strictly within current legislation and the amount spent on the prevention and detection of benefit fraud can be recovered from Central Government by means of a specific grant – this amount is directly related to the number of fraudulent claims identified.

The Council's anti-fraud service is provided by the Shared Anti-Fraud Service (SAFS).

The following Councils are partners in the shared anti-fraud service:

- Broxbourne Borough Council
- East Herts Council
- Hertsmere Borough Council
- Hertfordshire County Council
- North Herts District Council
- Stevenage Borough Council

Local Land Charges

HC100

Purpose:

- Delivery of a Land Charges Service, which is a statutory function.

A Statutory Instrument requires that the Council make a reasonable charge based on the cost of providing the service for supply of the CON 29A. These charges therefore differ between Authorities.

Fees & Charges:

The fee for official certificates of search based on cost recovery is £18 electronically.

The charge for a full residential is £90.00. Non-residential search is £120.00 (Including replies to enquiries Con 29R).

Electoral Registration

HB810

Purposes:

To delivery an Electoral Service which is a statutory function.

From 16th February 2001 new regulations introduced a rolling registration, which enables residents to register monthly instead of between fixed qualifying dates. Deletions and amendments may also be made monthly causing numbers to fluctuate.

Hertsmere's registered electorate totals approximately 77K

Further regulations effective from 1st December 2002 required the Electoral Registration Officer to compile two versions of the register of electors, a full version and an edited version. The full version contains all electors and is only available for limited purposes. The edited version contains the names of people who have not opted out of inclusion and is available for general use.

Customer Relationship Management

HO100

Purposes:

The Customer Service Centre is the gateway to Council Services and the team makes a major contribution to ensuring that customers are aware of the range of services available, including those from partner organisations. Customers can access our services at three locations, the Civic Offices in Borehamwood and our two Area Offices in Bushey and Potters Bar. The Area Offices are open between 9:30am to 14:00pm Tuesday to Thursday, staffed by one person who provides the same face-to-face services and facilities as the Civic Offices to resolve enquiries ranging from asking for directions, to assistance in completing a form.

The aim of the Customer Services Centre is to ensure that customers' experience of our services is as smooth and as well supported as possible and trying to resolve enquiries at the first point of contact. We have a range of facilities to help customer's access services, including induction loops for those who are hard of hearing, Browse Aloud software for the visually impaired and language interpreters are available when essential. Above all, the Customer Service Team is welcoming, friendly and put the customer first.

The Customer Service Centre provides a detailed enquiry handling service for people phoning the Council for a range of key services within the organisation. The aim of this is to resolve customers' enquiries straight away wherever possible. However, customers can also telephone the direct dial number of the department they wish to contact. Through our main telephone number, we have a voice recognition system to direct customers to the right place.

Shared Internal Audit Services (SIAS)

HN600

Purposes:

To provide an independent and objective opinion on the Council's control environment – comprising internal controls, governance arrangements and risk management arrangements.

To support and facilitate the Council's aims and objectives by delivering a comprehensive and professional service across the organisation, by assisting management in the effective discharge of their responsibilities and by promoting good practice across the Council.

The Team's work is planned to ensure efficient use of resources and it is reviewed to ensure that it meets the prescribed standards of best practice and so that it is relied upon by the Council's External Auditors.

From 1 June 2011 the Council's internal audit function has been provided by the Shared Internal Audit Service (SIAS). SIAS is formed of a partnership between the following Councils:

- East Hertfordshire District Council
- Hertfordshire County Council (HCC)
- Hertsmere Borough Council (HBC)
- North Hertfordshire District Council
- Stevenage Borough Council
- Welwyn Hatfield Borough Council

Auto-enrolment

HP100

Purposes:

Budget provision is not generally made for employees who do not belong to the pension scheme, however new Government legislation makes it compulsory for employers to offer all eligible workers a workplace pension.

There is a potential cost where new employees replace employees who were not in the pension scheme. The scheme to auto enrol existing employees has been deferred until September 2017.

This budget includes the estimated cost of the councils expected contribution to the scheme.

Apprenticeship Levy

HP100

Purposes:

All UK employers with a pay bill over £3 million each year, are required to pay an apprenticeship levy from 6 April 2017. The levy is reported and paid to HMRC through the PAYE system. The Apprenticeship Levy is charged at 0.5% of our annual pay bill.

The levy will help to deliver new apprenticeships and it will support quality training by putting employers at the centre of the system. Employers who are committed to training will be able to get back more than they put in by training sufficient numbers of apprentices

HP200

Purposes:

This is a centrally held budget used to pay for any unexpected “one off” costs that are incurred during the year that are outside the control of managers and could not have been reasonably budgeted for at the time of setting the revenue budget. As this resource is limited it is only to be used in exceptional circumstances.

Minimum Revenue Provision

HD100, HD200, HD202, HD203, HD204, HD217

Purposes:

Under regulation 27 of the 2003 Regulations, the council must charge the general fund for each financial year a Minimum Revenue Provision (MRP) to account for the cost of debt (in relation to capital expenditure) as at that financial year.

This sum has been allowed for within the existing revenue budget and has been set at a level to ensure that all historic unfinanced capital expenditure is written down over a period that is commensurate with the life of the assets to which it relates.

Investment Income

HP500

Purposes:

This budget contains investment returns generated from council cash balances.

The Council's investment priorities will be to ensure:

- (a) the Security of capital;
- (b) the Liquidity of its investments; and
- (c) the Yield.

The Council will also aim to achieve the optimum return on its investments commensurate with proper levels of security and liquidity. The risk appetite of this Council is generally low in order to give priority to security of our investments.

The Council's Capital Budget

The CIPFA Prudential Code provides the framework for the Councils capital investment. It requires the Council to make reasonable estimates of the total of capital expenditure that it plans to incur during the forthcoming financial year and at least the following two financial years. When setting its capital programme the Council must have regard to:

- The councils service objectives
- Stewardship of councils assets
- Value for money offered by the plans
- Prudence and sustainability
- Affordability of its plans
- The practicality of the capital expenditure plan

The Council's Capital Strategy and the Prudential Code require that the Council has a clear plan for its Capital Expenditure in the medium term, as well as ensuring that the revenue implications of any capital programme are also budgeted.

The capital budget is fully resourced at present with no requirement for borrowing. However this position could change depending on the progress of proposed major projects at Elstree Film Studios and Newberries Car Park. Should borrowing be required the implications of borrowing and the impact on revenue will be fully assessed nearer the time.

The adoption of this three year capital budget and the critical review of capital bids by the Asset Management Panel (AMP) supports the achievement of the Councils strategic objectives and timely decisions made by full Council prior to the start of the new financial year 2017/18 will enable Officers to plan for expenditure, enabling good cash flow management and effective monitoring of capital expenditure versus budget.

The capital programme identifies schemes that have been approved by the Council.

Major capital projects in the programme include:

- Buckingham Road and Hackney Close (largely complete)
- Car Parks
- Civic Offices access control system
- Garage refurbishment programme
- Newberries car park development

- Elstree Film Studios mound clearance
- Disabled Facilities Grants
- New Telephone System
