You can buy our compostable bags from the locations below - they cost £2.50 per roll of 52 (cheaper than any supermarket equivalents):

Garden waste sacks

We do not provide extra green bins, however if you do have excess garden waste we have garden waste sacks available to purchase. These paper sacks can be bought from the same outlets as the compostable bags above and cost 50p per sack. The sacks are 75 litres and you can put a maximum of three out alongside your green bin on collection day.
