Recycling in flats

Last Modified June 19, 2018

[Share this page](#)

The majority of flats/maisonettes have some form of communal recycling bins and a weekly refuse collection. Please read [Recycling in flats](#) for more information.

If there is no room in the recycling bins please DO NOT leave recycling on the ground in the bin store or around the bins. There is limited space in some bin stores so you may have to put recycling in the general rubbish bin.
