Each area in the borough has a team of people who clean the streets, cut the grass and tackle problems such as fly-tipping, graffiti and vandalism.

Read our  [Taking pride in Hertsmere](#) leaflet for useful contacts and the correct number to ring for your issue.

You can also find out more about some common issues that may be affecting your area and what can be done about them. In some cases they may not be our responsibility, so external links to other organisations are provided.
