

Low cost home ownership

Last Modified May 20, 2020

[Share this page](#)

We promote a range of affordable home ownership products for people who cannot afford to purchase a property on the open market. There are a number of schemes available to help people into home ownership.

Housing schemes include:

- [Shared Ownership](#)
- [Help to Buy Equity Loan](#)
- [Rent to Buy](#)
- [HOLD – Home Ownership for people with Long-Term Disabilities](#)
- [Older People's Shared Ownership](#)

Priority

Priority for shared ownership properties in Hertsmere is given to existing social housing tenants who would be releasing a property and to current and former Armed Services personnel living in Hertsmere or had lived in Hertsmere before being posted elsewhere.

Further information

To find out more about the different low cost home ownership options available, to see available properties for sale and to register your interest, please visit [Help to Buy East and South East](#).
