Three schemes

We believe our three new schemes will offer excellent and competitively services for landlords and agencies alike.

Our added relationship benefits

Benefiting from our unique relationship with Housing Benefit and our other varying departments. Let with Hertsmere are able to offer additional benefits within our three services for private landlords that other high street agents can't, such as fast tracked housing benefit applications.

We work closely with any prospective tenants carrying out background checks as well as extensive affordability and sustainability assessments, and run mandatory online pre tenancy training courses in order to minimise risk to our Landlords.

If you have a property to let we can help.

Excellent service, great schemes, sector expertise.

Our Team

We have worked in the Residential Lettings and Property Management since 2005 in both the public and private sector. We have had responsibility for large property portfolios, working with a wide range of properties and people.

Training and expertise

Our team has over 14 years' experience in housing so we know what makes for a successful tenancy, for both landlords and tenants. We also have our dedicated tenancy sustainment and landlord liaison officers to help and advise.

Training has been undertaken in Lettings and Property Management, qualified in the Housing Health and Safety Rating System and coupled with over 14 years' experience in the industry, you can have confidence that your property is in professional hands.
