Shenley Park is a 45-acre park situated right in the heart of Shenley village.

The park was established in 1992 and is managed by Shenley Park Trust - an independent charitable trust - on a long lease from the council.

It has a unique apple orchard with nearly 150 varieties of apples, a wildflower meadow and woodland, a Victorian walled garden with a terraced amphitheatre, a country style tea room and a spacious former old chapel which functions as an all-purpose hall for the community.
