Service update May 2021

The cemetery is open to visitors between 9am and 5pm every day of the year. Unfortunately, the toilets will be closed during the weekends.

Visitors must adhere to social distancing measures throughout and refrain from visiting graves whilst funerals are taking place in the same section.

The health and safety of our staff and visitors to the cemetery remains of paramount importance and we are continually reviewing this and assessing latest guidance from central government.

From 17 May we will not be limiting number of mourners at the graveside however those attending should adhere to the following guidance:

- Different households should travel to and from the venue separately
- Avoid direct physical contact e.g. hugging unless part of the same household and stand at least 2 metres apart
- Follow advice on handwashing, sneezing and coughing to reduce the spread of germs. Use of a hand sanitiser is recommended

Our officers are working hard to ensure burials are conducted with dignity and respect throughout this difficult period. We are constantly reviewing the situation and if needed will make further changes to these restrictions.

We apologise for any inconvenience or upset this may cause.
