## Service update 1 May 2020

The cemetery is open for visitors at weekends and bank holidays between 8am and 6pm as of Saturday 25 April. Visitors must adhere to social distancing measures throughout.

The Cemetery will be closed for funerals during the week.

The health and safety of our staff and visitors to the cemetery remains of paramount importance and we are reviewing this on a daily basis and assessing latest guidance from central government.

We are maintaining our burial service. For funeral services at the graveside, families are limited to 10 mourners and asked to maintain social distancing throughout the service, in line with government guidelines. Read more about [guidelines for attending a funeral](#)

Our officers are working hard to ensure burials are conducted with dignity and respect throughout this difficult period. We are constantly reviewing the situation and if needed will make further changes to these restrictions.

We apologise for any inconvenience or upset this may cause.
