What to do during coronavirus outbreak

If you are feeling unwell please do not visit your plot or enter the allotment site.

You are advised to do the following when you visit your plot:

- Use hand sanitiser before opening and closing any gates and locks
- Observe social distancing with each other
- Keep hand sanitiser with you and wash your hands with it regularly
- Do not share tools
- Do not wash your hands in the water tanks

An allotment plot is a great way to grow your own low cost food. It offers recreational and social opportunities whilst providing habitats for many forms of wildlife.

We have five allotment sites available for public rent in Hertsmere; three in Bushey and two in Potters Bar. For other sites in the borough please see details at the bottom of this page.

Allotment sizes and fees 2021/22:

A half plot is 126.5 metres sq (5 poles): £45 per year.

A standard plot is 253 metres sq (10 poles): £70 per year.
