## Splash Park update

We are very sorry but the splash park will be closed until further notice. There is a problem with the pumping equipment and specialist replacement parts have been ordered. The splash park will remain closed until they have been fitted and the equipment tested. We are sorry to disappoint the little ones who enjoy using this facility and their parents and carers.

Our parks and play areas remain open to visit and enjoy.

### Advice for visiting play areas

Download our  [play area guidance](#) poster

**Use a bin or take it home!**

Disposable masks, gloves and all other litter should be disposed of responsibly. Take pride in your local park, keep it clean, safe and green.
