

# Article 4 Directions - Conservation

Last Modified May 04, 2020

[Share this page](#)

Article 4 Directions remove some, or all, permitted development rights from properties in a particular area. This means that some forms of development require full planning permission.

Article 4 Directions are only issued after careful consideration when it is felt that certain forms of uncontrolled development, such as certain extensions or changes to windows and doors, would harm the special character of an area, particularly where the development would be visible from the public highway. Directions introduced within a Conservation Area are known as Article 4(1) Directions.

In April 2019, non-immediate Article 4 Directions were introduced within the borough's employment areas. For further information please visit: [Article 4 Directions - Hertsmere Employment Areas](#)

Each Direction is different, and places unique restrictions on works that can be carried out without needing planning permission. Some are available to download below, but if the one you are looking for is not listed, please [contact us](#) for full details.

## Article 4 Directions:

**Borehamwood**

**Bushey**

**Elstree**

**Letchmore Heath**

**Potters Bar**

**Radlett**
