

# Bushey Heath High Road Conservation Area Appraisal

Last Modified October 06, 2020

[Share this page](#)

The Bushey Heath High Road Conservation Area covers Windmill Lane, High Road and Hartsbourne Park.

We review conservation areas from time to time to see whether any additional locations should be included, or if any others need to be removed.

We look at issues such as why the area should be protected as a historically important part of the borough, consider good, neutral and poor features of the area so that recommendations for improvement can be made.

The Bushey Heath High Road Conservation Area was last reviewed and updated in 2013.
