What is Neighbourhood Planning

Communities can now prepare neighbourhood plans to influence the future of their areas. These allow communities to set out their own vision for their local area and set general planning policies to guide development in their neighbourhood. However, plans must still meet the needs of the wider area and take into account the local council's assessment of housing and other development needs in the area.

Neighbourhood planning in Hertsmere

Radlett Neighbourhood Plan

Aldenham Parish Council are the first parish council in Hertsmere to begin preparing a neighbourhood plan. This plan will cover the urban area of Radlett within Aldenham Parish.

Visit the [Radlett Neighbourhood Plan](#) webpage to find out more.

Shenley Neighbourhood Plan

Shenley Parish Council are preparing a neighbourhood plan for Shenley.

Visit the [Shenley Neighbourhood Plan](#) webpage to find out more.
