[Regulation 3 of the Town and Country Planning \(Brownfield Land Register\) Regulations 2017](#) requires local planning authorities in England to prepare, maintain and publish registers of previously developed (brownfield) land by 31 December 2017.

Brownfield land registers provide up-to-date and consistent information on sites that local authorities consider to be appropriate for residential development having regard to the criteria set out in [regulation 4 of the Town and Country Planning \(Brownfield Land Register\) Regulations 2017](#).

Guidance on brownfield land registers can be found within the national [Planning Practice Guidance](#).
